

CLEAF

inovativne površine
za dizajn enterijera

Cleaf je italijanski brend koji se bavi proizvodnjom inovativnih materijala i rešenja za enterijere. Kompanija je osnovana 1975. godine i od tada je postala jedan od najprestižnijih brendova u industriji.

Veliki broj Cleaf dekora karakteriše trodimenzionalna struktura, koja se sastoji od papira impregniranog smolom i presovanih pod visokim pritiskom. Ova ploča se koristi u različitim aplikacijama i dostupna je u različitim bojama, dezenima i teksturama.

Cleaf je poznat i po svojim digitalnim štampanim dekorima, koji se koriste za oblaganje unutrašnjih površina, kao što su kuhinjski elementi, ormari, vrata i drugo. Ovi dekori su prilagođeni individualnim potrebama i željama klijenata.
